Volunteers

This program can only be successful through the efforts of volunteers, including AABF **Board Members**, coaches, assistant coaches, team managers, and people to stripe the fields and setup for games. **AABF Members** use their skills to help organize and run youth soccer programs in the Black Forest. **Coaches** notify team members and manage practices and games. **Assistant Coaches** help the head coaches. **Team managers** arrange for refreshments for team members at games and use a calling tree to notify team members when games are rescheduled. **Linespersons** make out-of-bounds and end-line calls and determines off-sides in the event of referee absences. **Field managers** set up and take down goals and nets before and after each day's games. The fields are striped with paint before the season and as needed during the season. Parents who take on these tasks will gain a greater understanding of the game and a better appreciation of the challenges faced by the game officials. The more directly involved parents are the more positive your child's experience will be.

HEAD COACHES pay the full fee initially but will receive a refund during the season to reflect the reduced fee of \$35 per child.

Parent Reminder

AABF volunteers provide supervision only during scheduled events. Participants not picked up promptly from practices and games or misbehaving will not be allowed to participate in AABF activities.
